

Westin
stratus blade

The Stratus Blade is a design led innovation that incorporates stylish light blades in a ducted out ceiling hood.

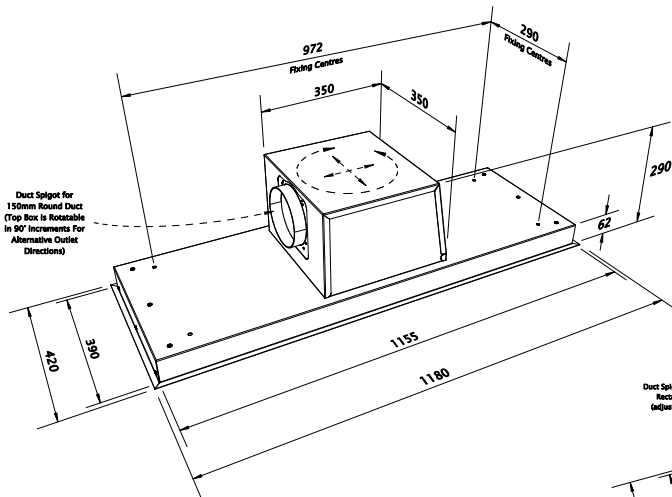

Westin Stratus Blade

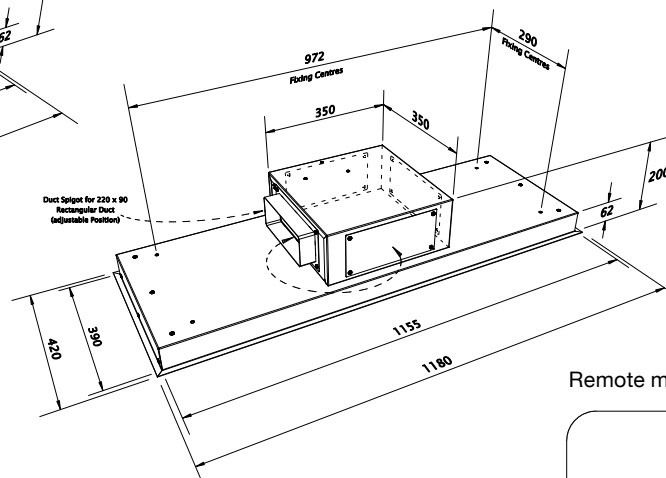

The Stratus Blade is the next step in ceiling hood design incorporating the popular light blades from the Stratus 360 into a ducted out hood.

In the remote motor version, this hood has the added benefit of a spigot that connects directly onto flat channel ducting, with a ducting kit included.

Extractor type:	Ceiling unit
Model ref:	Stratus Blade
Dimensions:	1180 x 420 x 200 (remote) or 290mm (internal motor)
